

3rd MEETING OF THE MONITORING COMMITTEE
OF INTERREG VI-A IPA HUNGARY-SERBIA PROGRAMME

SUMMARY OF THE 3rd MC

The following subjects were presented and discussed by the participants:

- Large scale projects – JS has informed the MC on the progress of consultations with LSP applicants.
- Operation of strategic importance (OSI) – the MC has discussed and approved the documentation of the OSI call for proposals and the launch of the call as soon as the technical conditions are met. The call will be open till the submission of the project when the assessment starts immediately.
- Project selection – the MC has discussed and approved the list of proposed applications. 57 projects were approved for financing in the value of 22.5 Million Euros IPA funding. Some conditions have been established including among others the climate change resilience check and the state aid check which shall be done until contracting. 4 projects were added to the Reserve list which can be contracted if funding is saved until the launch of the 2nd call for proposals. The list is published immediately (not waiting for the approval of minutes).
